Sec. 19-8-6

December 12th 1881. Being presented with a paper of which the above is a true copy by the owners of land in section 19 Town 8 Range 6 west commenced survey of said section but on account of rain did not begin until Wednesday December 14th 1881 beginning at the NE corner Mr. James J. Terhune being present and consenting that said corner should be the established corner as previously located by me according to Cressy's survey. All the interested land-owners of the section or adjoining being signed to above consent except the said James J. Terhune.

From NE cor section 19

SE section 30 var 4° 15'

From SE section 20

S 1/4 section 20

intersect range line var on last mile 3° 22'

From SW section 31 after testing said corner to my satisfaction.

SE section 13 Township 8 Range 7 3° 55'

located NW corner section 19, 8, 6

From NE section 19

NW corner

3° 30'

Then subdivided section by running lines through section each way and put the corners in the intersection of the lines

The SE and SW corner of section 19 were set in proportion to the measurements N + S and E and W compared with the United States measurement.
